

Serving homeless women with babies in Southwest Washington

*...From ashes to beauty.
Isaiah 61:1-3*

Our Vision

Our vision is to operate a home where women in crisis are safe to become all that God intended them to be. Our belief is that Christ is at the center of life change, therefore Avonlea Acres will be a home where grace abounds; hope is instilled; and love is practiced by meeting the physical, emotional, and spiritual needs in a family atmosphere for the purpose of independent living.

Our vision is to share the truth of God's word in very practical, nurturing ways so the residents of Avonlea Acres can become "new creations" (2 Cor. 5:17) We intend to practice compassion and provide an atmosphere where women can break from the bondage of their pasts and be "transformed by the renewing of their minds". (Romans 12:2)

Our vision for Avonlea Acres is to be a Christ centered family home which upholds the sanctity of life and meets the very real needs of the women residents. Avonlea Acres will equip them to go on to change lives by sharing the Good News of Jesus Christ, giving testimony of the grace that has been shown them. (2 Cor. 1:3-4)

Our vision is that Avonlea Acres, in its entirety, will uphold biblical values by being filled and led by the Holy Spirit; be Christ centered; with all glory being given to God.

Avonlea Acre's Vision

- Phase One
- Casting the vision
 - Legal and accounting
 - Developing policies, procedures, programs, and protocol
 - Housing one woman with her baby in a personal home
- Phase two
- Continued development of policies, procedures, programs and protocol
 - Pursuing financial support for sustaining operation and building fund
 - Acquire a rented or leased home to house 2-3 women with their babies.
- Phase three
- Continued development of policies, procedures, programs and protocol
 - Acquire land and build permanent Avonlea Acres home to house 6 women with their babies.
 - Develop land and programs to subsidize operation of Avonlea Acres
- Phase four
- Duplicate Avonlea Acres' home and program in other locations
